

Sr. No.	Name of the PG Student / Faculty	Topic of Dissertation / research Project	Name of PG Guide / Co-Investigator
2012			
1	Anu Raj	Multi component tympanometry in children with cleft palate.	Dr. C.S. Vanaja Prof & Head of Department BVDU School of Audiology and Speech Language Pathology, Pune- 411043.
2	Arpita Masih	Dysfluencies in typical Hindi speaking children in the age group of 2 ½ -4 ½ years.	Mrs. Maya Sanghi Hon Professor, BVDU, School of Audiology and Speech Language Pathology, Pune-411043.
3	Chithra Kiran M. S	Assessment of speech intelligibility across various speech tasks in individuals with Dysarthria.	Mrs. Rohini Chand Mall Asst. Professor BVDU, School of Audiology and Speech Language Pathology, Pune-411043.
4	Della Maria Jimmy	Acoustics analysis of segmental features in individuals with dysarthria associated with Parkinson's disease.	Mrs. Rohini Chand Mall Asst. Professor BVDU, School of Audiology and Speech Language Pathology, Pune-411043.
5	Dharmapal Dongol.	Development of language in children with mother tongue Marathi in the age range of 9-36 months.	Mrs. Aarti Waknis Asso. Professor BVDU, School of Audiology and Speech Language Pathology, Pune- 411043.
6	Dipti Gupta	High frequency tympanometry and acoustic reflexes in neonates and infants with normal hearing.	Dr.C.S.Vanaja Prof & Head of Department BVDU, School of Audiology and Speech Language Pathology, Pune- 411043.
7	Gayathri Menon	Acoustic & perceptual analysis of stress in individuals with dysarthria associated with Parkinson's disease.	Mrs. Rohini Chand Mall Asst. Professor BVDU, School of Audiology and Speech Language Pathology, Pune-411043.
8	Heena Seth	Perceptual and instrumental analysis of hyper nasality in individuals with repaired cleft lip and/or palate.	Mrs. Aarti Waknis Asso. Professor BVDU, School of Audiology and Speech Language Pathology, Pune- 411043.
9	Sachin Kumbhar	Comparison of scores of locus of control behavior scale in typical individuals and individuals with stuttering.	Mrs. Maya Sanghi Hon Professor, BVDU, School of Audiology and Speech Language Pathology, Pune-411043.
10	Kuruvilla Mathew	Development of early speech	Mrs. Sharda Sarda

		perception test for Marathi speaking children with hearing impairment.	Asst. Professor BVDU, School of Audiology and Speech Language Pathology, Pune-411043.
11	Manna Ann Raju	Singer's formant in Hindustani classical singers-A preliminary study.	Mrs. Namita Joshi Asso. Professor BVDU, School of Audiology and Speech Language Pathology, Pune-411043.
12	Nidhin Kurian	Correlation between clinician's perception & client perception of dysphonia.	Mrs. Namita Joshi Asso. Professor BVDU, School of Audiology and Speech Language Pathology, Pune-411043.
13	Nimisha Khandelwal	Efficacy of speech evoked cortical auditory evoked potential (CAEP) in hearing aid verification.	Dr. C. S. Vanaja Prof & Head of Department BVDU, School of Audiology and Speech Language Pathology, Pune-411043.
14	Mahendra Sarsambe	The effect of listening environment and earphone style on preferred listening levels in normal hearing adults using mobile phone.	Mrs. Sharda Sarda Asst. Professor BVDU, School of Audiology and Speech Language Pathology, Pune-411043.
15	Suraj B.	Effect of age on speech evoked brainstem response.	Mrs. Geeta Gore Hon Professor, BVDU, School of Audiology and Speech Language Pathology, Pune-411043.
16	Swarup Mishra	Dizziness handicap, caloric test and VEMP in persons with dizziness: A preliminary report.	Dr. C. S. Vanaja Prof & Head of Department BVDU, School of Audiology and Speech Language Pathology, Pune-411043.
17	Swathy Ann Alexander	A screening tool for identification of children with learning difficulty.	Mrs. Namita Joshi Asso. Professor BVDU, School of Audiology and Speech Language Pathology, Pune-411043.
18	Aneesha Wachasundar	Effect of age on cervical and ocular vestibular evoked myogenic potentials.	Mrs. Geeta Gore Hon Professor, BVDU, School of Audiology and Speech Language Pathology, Pune-411043.
	2013		
19	Bharmal Alifia Kutub	A comparative investigation of the speech associated attitude of preschool and kindergarten children who do and do not stutter.	Mrs. Maya Sanghi Hon. Professor BVDU, School of Audiology and Speech Language Pathology,

			Pune-411043.
20	Bhat Swati Dilip	Effect of age on caloric test, gaze test and vestibular evoked myogenic potential	Mrs. Sharda Sarda Asst. Professor BVDU, School of Audiology and Speech Language Pathology, Pune-411043.
21	Chaudhari Sneha Deepak	Language development of children with cleft palate with/ without cleft lip from 3 to 7 years	Mrs. Aarti Waknis Asso. Professor BVDU, School of Audiology and Speech Language Pathology, Pune-411043.
22	Chavan Supriya Madhavrao	Development of an acceptable noise level test for Marathi speaking adults with hearing impairment	Mrs. Sharda Sarda Asst. Professor BVDU, School of Audiology and Speech Language Pathology, Pune-411043.
23	Sunny Chintu	Effect of age and gender on nasalance of typically developing Marathi speaking children.	Mrs. Aarti Waknis Asso. Professor BVDU, School of Audiology and Speech Language Pathology, Pune-411043.
24	Christy Martin	Development of Tinnitus Reaction Index	Mrs. Sharda Sarda Asst. Professor BVDU, School of Audiology and Speech Language Pathology, Pune-411043.
25	Garima Dixit	Assessment of impact of stuttering on quality of life of individuals with stuttering	Mrs. Namita Joshi Asso. Professor BVDU, School of Audiology and Speech Language Pathology, Pune-411043.
26	Gupta Namrata Rajesh	Language development of children with preterm birth	Mrs. Aarti Waknis Asso. Professor BVDU, School of Audiology and Speech Language Pathology, Pune-411043.
27	Hanna Nelson	Auditory brainstem and cortical evoked responses in individuals with stuttering	Mrs. Geeta Gore Hon. Professor BVDU, School of Audiology and Speech Language Pathology, Pune-411043.
28	Karulkar Rasika Rajiv	Age effect on SNR-50 in individuals with normal hearing sensitivity	Mrs. Geeta Gore Hon. Professor BVDU, School of Audiology and Speech Language Pathology,

			Pune-411043.
29	Kulkarni Sneha Prakash	Perceptual and instrumental analysis of voice of children with cleft palate with/ without cleft lip	Mrs. Aarti Waknis Asso. Professor BVDU, School of Audiology and Speech Language Pathology, Pune-411043.
30	Kurdukar Madhura Dhundiraj	Effect of training on listener's perception of speech of individuals with dysarthria	Mrs. Rohini Chand Mall Asst. Professor BVDU, School of Audiology and Speech Language Pathology, Pune-411043.
31	Mehta Urvi Arvindbhai	Comparison of the effectiveness of two methods of vocal hygiene program: a preliminary study.	Mrs. Maya Sanghi Hon. Professor BVDU, School of Audiology and Speech Language Pathology, Pune-411043.
32	Nihar Pradhan	Test retest reliability of real ear insertion gain in open canal hearing aid designed for individuals with hearing Impairment	Mrs. Sharda Sarda Asst. Professor BVDU, School of Audiology and Speech Language Pathology, Pune-411043.
33	Panicker Rachana Sasidhar	Communication related quality of life in individuals with dysarthria-development of a questionnaire.	Mrs. Rohini Chand Mall Asst. Professor BVDU, School of Audiology and Speech Language Pathology, Pune-411043.
34	Malik Parul	Association of caloric, cVEMP and oVEMP in individuals with peripheral vestibular pathology	Mrs. Sharda Sarda Asst. Professor BVDU, School of Audiology and Speech Language Pathology, Pune-411043.
35	Pathan Sana Zeb Mushir	Acoustical and perceptual evaluation of voice of vocal professionals	Mrs. Namita Joshi Asso. Professor BVDU, School of Audiology and Speech Language Pathology, Pune-411043.
36	Patil Sunil Pandurang	Effect of exponential amplitude modulation on auditory steady state responses for stimuli with mixed modulation: a preliminary investigation on individuals with sensorineural hearing loss.	Dr. C.S.Vanaja Professor & HOD BVDU, School of Audiology and Speech Language Pathology, Pune-411043.
37	Rawal Sonakshi Rajesh	Effect of age and gender on voice in 4 to 18 year old typically developing individuals	Mrs. Namita Joshi Asso. Professor BVDU, School of Audiology and Speech Language Pathology,

			Pune-411043.
38	Sruthi S.G	Speech perception in noise and contralateral suppression of otoacoustic emissions in children	Dr. C.S.Vanaja Professor & HOD BVDU, School of Audiology and Speech Language Pathology, Pune-411043.
39	Yukti Ajwani	Analysis of rate in individuals with dysarthria associated with Parkinson's Disease.	Mrs. Rohini Chand Mall Asst. Professor BVDU, School of Audiology and Speech Language Pathology, Pune-411043.
2014			
40	Amrita Bhandarkar	Amplitude of ASSR and Loudness Growth Function in persons with normal hearing and those with sensorineural hearing loss	Dr.C.S.Vanaja Professor & HOD BVDU, School of Audiology and Speech Language Pathology, Pune-411043.
41	Anil Kumar Yadav	An Effect of Directional Microphone on SNR-50	Mrs.Sharda Sarda Asst Professor, BVDU, School of Audiology and Speech Language Pathology, Pune-411043.
42	Ayesha Massey	Effect of Aging on Acoustic Characteristics of Speech in Healthy individuals	Mrs.Rohini Chand Mall Asst Professor, BVDU, School of Audiology and Speech Language Pathology, Pune-411043.
43	Bedke Dhanaji Jagannath	Perception of high frequency Marathi words in noise	Dr. C.S. Vanaja Professor, BVDU, School of Audiology and Speech Language Pathology, Pune-411043.
44	Harish Shinde	SNR-50 and ANL with and without hearing aid in individuals with sensorineural hearing loss	Dr.C.S.Vanaja Professor, BVDU, School of Audiology and Speech Language Pathology, Pune-411043.

45	Jayvardhan Singh	Development of client centered questionnaire in Marathi for reporting hearing aid benefit	Dr.C.S.Vanaja Professor, BVDU, School of Audiology and Speech Language Pathology, Pune-411043.
46	Marathe Kiran Eknath	Development of test of articulation in sentence form in Marathi	Mrs.Namita Joshi Associate Professor, BVDU, School of Audiology and Speech Language Pathology, Pune-411043.
47	Neha Tiwari	Exploring language abilities and oro motor abilities in children with stuttering (CWS) and children with no stuttering (CWNS)	Mrs.Namita Joshi Associate Professor, BVDU, School of Audiology and Speech Language Pathology, Pune-411043.
48	Shah Vidhiben Sunilkumar	Language Development and speech rate in Gujarati speaking children (3-7years).	Mrs.Aarti Waknis Associate Professor, BVDU, School of Audiology and Speech Language Pathology, Pune-411043.
49	Swati Chandel	Evaluation of hearing aid benefit using speech ABR and Speech CAEPS	Dr. C.S. Vanaja Professor, BVDU, School of Audiology and Speech Language Pathology, Pune-411043.
50	Shreya Kothari	Quality of life in Individuals with Dysphagia	Mrs.Rohini Chand Mall Asst Professor, BVDU, School of Audiology and Speech Language Pathology, Pune-411043.
51	Tabitha Virginia Chintala	Phonological Awareness in English in typically developing children with mother tongue Marathi	Mrs.Aarti Waknis Associate Professor, BVDU, School of Audiology and Speech Language Pathology, Pune-411043.

52	Thakur Zohaa Salim	Pragmatic Development of Typically Developing Children from birth to four years.	Mrs.Aarti Wankar Associate Professor, BVDU, School of Audiology and Speech Language Pathology, Pune-411043.
53	Tishya Joshi	Association of c VEMP and Caloric test with quality of life in individuals with dizziness	Ms. Sharada Sarde Asst Professor, BVDU, School of Audiology and Speech Language Pathology, Pune-411043.
54	Yumlembam Pushparani Devi	Effect of age and Gender on cognitive Linguistics abilities in Typical Marathi speaking individuals	Mrs.Namita Joshi Associate Professor, BVDU, School of Audiology and Speech Language Pathology, Pune-411043.
55	Nuha Ghiyas	Otolith Functioning in Individuals with Diabetes Mellitus type 2 with and without Polyneuropathy	Mrs.Sharda Sarde Asst Professor, BVDU, School of Audiology and Speech Language Pathology, Pune-411043.
2015			
56	Arushi Kapoor	Quality of Life in Persons with Tinnitus	Mrs. Sharda Sarde Associate Professor, BVDU, School of Audiology and Speech Language Pathology, Pune-411043.
57	Neha Jain	Usefulness of Fukuda and Head Impulse Test in identifying the patients with vestibular dysfunction	Mrs. Prajka Nalat Asst Professor, BVDU, School of Audiology and Speech Language Pathology, Pune-411043.
58	Chitnis Aakanksha	Assessment of Auditory Comprehension Skills of Marathi	Mrs. Medha Karbhari Hon. Professor,

		Speaking School Going Children	BVDU, School of Audiology and Speech Language Pathology, Pune-411043.
59	Gejji Anisha Vivek	Pragmatic abilities of children with Autism Spectrum Disorder in the age range of 2-6 Years	Mrs. Aarti Waknis Associate Professor, BVDU, School of Audiology and Speech Language Pathology, Pune-411043.
60	Khade Trupti	A Follow -up study of Dysphagia Recovery in Individuals with stroke.	Mrs.Rohini Chand Mall Asst Professor, BVDU, School of Audiology and Speech Language Pathology, Pune-411043.
61	Kothari Kiyomi	Development of Auditory Comprehension Test in Marathi Language for individuals with Aphasia	Mrs. Medha Karbhari Hon. Professor, BVDU, School of Audiology and Speech Language Pathology, Pune-411043.
62	Mangaonkar Gauri Pradip	Cortical Auditory Evoked Potentials and Acceptable Noise level in Hearing Aid users.	Mrs. Sharda Sarda Associate Professor, BVDU, School of Audiology and Speech Language Pathology, Pune-411043.
63	Sharma Nidhi	Curriculum Based Language Skills in Hindi for Students Between 12 to 16 Years of Age	Mrs. Namita Joshi Associate Professor, BVDU, School of Audiology and Speech Language Pathology, Pune-411043.
64	Sood Nilanshu	Pre Reading Skills in Hindi Speaking Children Between 3 to 6 Years	Mrs. Namita Joshi Associate Professor, BVDU, School of Audiology and Speech Language Pathology, Pune-411043.
65	Jayaram Priyanka	Association between Acceptable Noise Level and Self-reported hearing aid benefit	Mrs. Prajkta Nalat Asst Professor, BVDU, School of Audiology and Speech Language Pathology, Pune-411043.
66	Sharon Mary Oommen	Relationship between Speech Intelligibility and Acoustic Parameters of Speech in Individuals with Dysarthria Post Stroke	Mrs. Rohini Chand Mall Asst Professor, BVDU, School of Audiology and Speech Language Pathology, Pune-411043.
